Sir:

We gratefully acknowledge the "Notice of Allowance" mailed on February 20, 2007. Internally at Thomson Licensing LLC, as a measure of quality control and prior to paying the issue fee on an allowable case, we check all the corresponding related applications worldwide and make sure that any documents cited elsewhere in the world were properly cited in the USPTO with an IDS statement(s) during prosecution. Unfortunately, in this instance, one of the references cited in a European Communication (dated September 1, 2005), and three references cited in a Japanese Div. 1 Communication (dated February 6, 2007), slipped by us undetected. Therefore we wish to file this RCE in order to report the references cited by those Communications with an IDS Statement. Applicant asserts that none of the references currently or formerly cited, alone or in combination, disclose the claimed invention nor make it obvious. Therefore, Applicant respectfully requests consideration of the new references and allowance of the application.
